

Grade 4: The Jackson Heights song: Jackson Means Action

In 1937 Jackson came to be.
The box of knowledge opened
with a precious key.
In that box of knowledge
was everything we need;
Perseverance and Respect,
Responsibility!

Refrain

Jackson means Action!
(It's our) Responsibility
With Tolerance and Patience
We'll make history.
Jackson means Action!
in everything we do
We always do our Best
At Jackson Heights School

Hear the mighty Indians
We are the Glens Falls Nation
Stand up tall and proud
We have our reputation.
From the artwork in the halls,
family, friends, and PTA
The teachers and the staff
will guide us on our way.

Refrain

Jackson means Action!
(It's our) Responsibility
With Tolerance and Patience
We'll make history.
Jackson means Action!
in everything we do
We always do our Best
At Jackson Heights School

Bridge:

Our memories are with us
As we travel far and wide
With kindness in our hearts
We live our lives with pride

Refrain

Jackson means Action!
(It's our) Responsibility
With Tolerance and Patience We'll make history.
Jackson means Action in everything we do.
We always do our Best At Jackson Heights School
