

Kindergarten & First Grade: FRIEND...

Spoken Introduction

We're standing side by side
We're working as a team
Together we are strong
Friendship is our dream!

When I see you here at school
I say, "How are you today?"
When I see you at the park
I say, "Do you want to play?"
Friend let's play together
I'll show you how to share
I'll share my treats and toys with you
I'll show you that I care
Your choice is up to you
My choice is up to me
When we work together
Good choices are the key
Choices are the key

Friend let's go outside
There's so much we can do
If you're sitting all alone
I will play with you.
If I see you trying hard
I'll lend a hand to you
When we work together
There's nothing we can't do
You're choice is up to you
My choice is up to me
When we work together
Good choices are the key
Choices are the key

Bridge

Friend I'll help you up

And I'll sing with you.
Friend we'll work together
I'll stand up for you
Friend I'll listen closely
I'll show respect for you.
Show respect for you.

Refrain
