

Name _____ Class Code _____

Mr. Chevalier (teaching artist, musician and song writer) is coming to work with all the 4th graders in our building to write and record onto CD a NEW School Song. You can help create the ideas for the lyrics by completing the following.

This is an OPTIONAL assignment for the students. Students, you do not have to participate in this portion of the song writing if you do not want to do so. If you would like to help out, please complete at least 1 of the following questions (feel free to do more if you want). Please write neatly and use complete sentences if possible. If you need room, you can write on the back of this sheet or staple another piece of paper to it.

Please return this paper to the box outside of the music room by .

Grade 4: School Song

Find more information about the history of our school. What year did it start? Etc.

List school events: things that haven't changed through the ages

Tell what Character Education traits apply to our school and why

What do you want to say about our school? Why is it so special?

Do you know someone that went to our school? Interview them about what they remember

What would kids say about our school?

What would adults (that went to school here) say about our school?

What should people remember about our school 100 yrs from now?
